Gaudí Phenomenon 2

Sagrada Família

A full day excursion exploring the outstanding architecture works of Antonio Gaudí. First is the Basilica of the **Sagrada Família** a large unfinished church which is a designated a UNESCO World Heritage Site.

Parque Güell

Next is **Park Güell** , it is a public park composed of gardens and architecture. It was completed in 1914. In 1984 was designated a World Heritage Site by **UNESCO** as well. This park is a reflection of his unique structural ideas with geometric shapes.

Casa Milà

This is a building popularly called La Pedrera, It was completed in 1910. Its unique architecture shows his personal style inspired by nature.

Casa Batlló

This building is a remodel of an existing building. The first floor is the most interesting with its irregular oval windows and sculpted stone work. With very few straight lines and colourful mosaic exterior is made from broken ceramic tiles.

Catalunya Experience

3 Full Day Barcelona Moving and Sport

We work for the vacations you deserve

Classic Bike Tour

The tour lasts 2 to 3 hours exploring the most popular streets and historical squares in Barcelona downtown. Also explore the seaside, old harbour and historic Ciudadella Park.

Montjuic Bike Tour

The tour lasts 2 to 3 hours and gives a panoramic view of that great city from Montjuic Hill, it is possible to see Olympic Stadium , Palau San Jordi and Miramar. The tour continues through the Gothic district or Maritime area. You will need to book bikes transport and organize transfer of customers to the starting point, but as an easy alternative, we can provide you “e-bike”, for smaller groups (around 20 pax) to climb to the mountain.

Catalunya Experience

Discover **FC Barcelona** from inside. The area designated to **Leo Messi**. See the 5 Champions League Cups and interact with the club history. Enjoy the second most visited museum in Spain and of the most in Europe, all with the newest technologies. Enjoy inside this great club viewing the memorabilia, trophies and much more. In the audiovisual area you can see thousand of photos and videos of the **FC Barcelona** 's 120 years history. Explore the amazing **Camp Nou**, from the first team players dressing room to live the emotion of entering to the playing field from the tunnel. A close up view and experience as player and as a fan, is in your hands!

5 Full Day in **Figueras and Girona**

Working for the vacations you deserve

Figueras is the hometown of **Salvador Dalí**. An international famous surrealist painter. Perhaps best known for paint melting clocks, the Persistence of Memory, but there are much more...The **Salvador Dalí** Museum contains much of his work where reality mixes with fantasy. After exploring the **museum** you will have time to taste the best tapas in the city at the restaurant **Casa Marieta**.

The city of **Girona** is situated in the northeast of Spain, close to the Pyrenees. Is partly surrounded by an impressive city wall; the characterful interior is delightful, with pleasant squares, cobbled streets, and historical monuments and buildings. Although a city, **Girona** isn't hectic and it provides a relaxing environment to do some local sightseeing and there are an excellent choice of restaurants, cafés and shops.

Catalunya Experience

Full day in **Montserrat** and **Cavas Freixenet** **6**

Working for the vacations you deserve

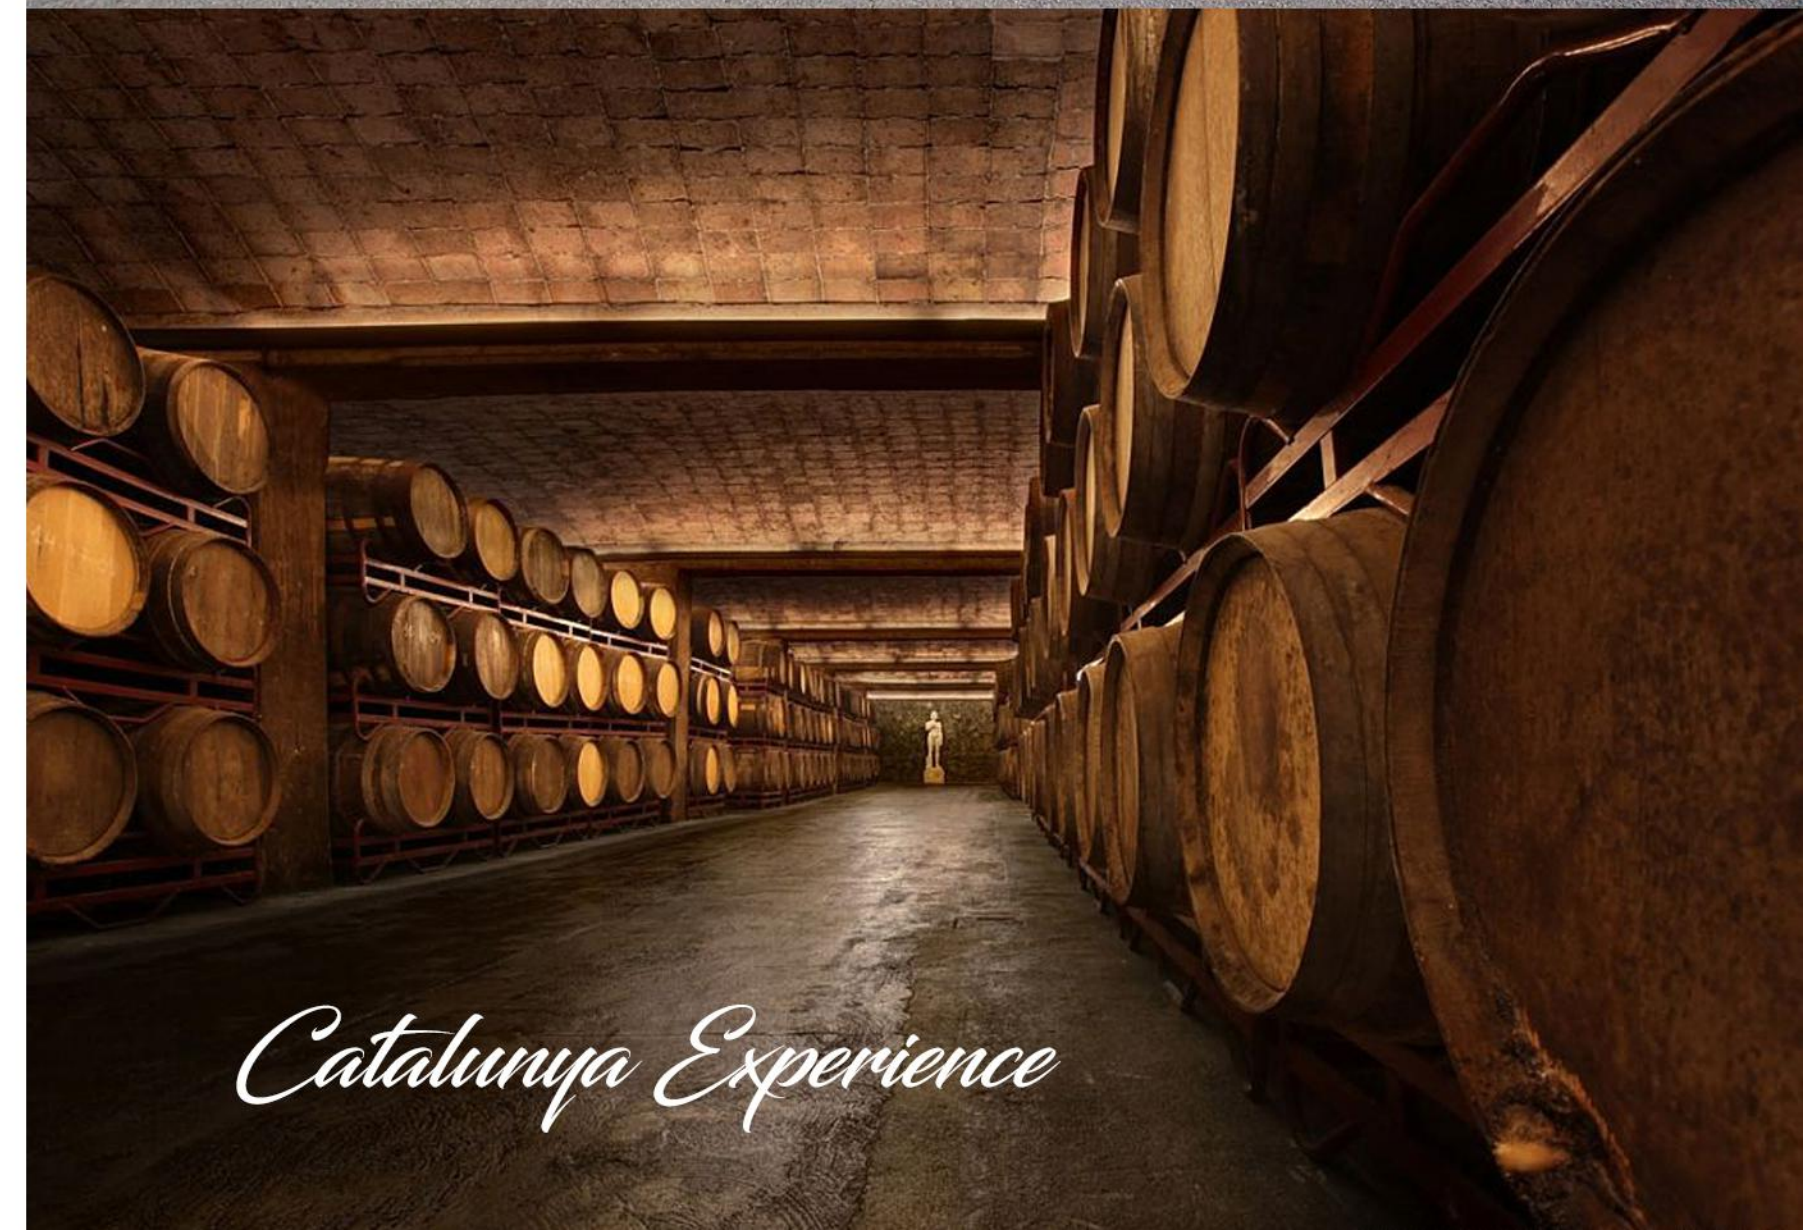

Montserrat

Is a spectacular mountain located 30 km from **Barcelona**, it is well known as the site of Benedictine abbey.

The mountain is Spanish first National Park and has a multitude of pink sedimentary rock formations which can be seen from a great distance. It is essential to try cheese and honey from this area as they have a spectacular flavor.

Cavas Freixenet

Next visit is the wineries in **Sant Sadurni d'Anoia**. A tour in which you will discover how tradition and cutting edge technology coexist in the process of making the most famous **Catalan Cava** (champagne). The tour also includes a train ride and tasting of Cava.

Catalunya Experience

7 Full day in Rupit, Vic and Fageda d'en Jorda

Working for the vacations you deserve

Rupit

is a stone village located in Osona between the Collsacobra and Guillerries mountains. It is a beautiful and romantic place. Has a moving bridge that crosses a river at one of the entrances to the town. Our advice to you is to try the **herbal liquor Ratafia** to complement your lunch.

Vic

Is the capital of Osona region. Is located 69 km from **Barcelona** and 60 km from **Girona**. It is one of the oldest medieval settlements in Catalonia and is most famous for its sausage. You can see and enjoy the taste and aromas of the Vic sausage in the factory where it is produced

Fageda d'en Jordà Natural Reserve

La Fageda is located in the beech forest of the National park which stands on the lava flow of the volcano Croscat. You will visit the farm to see the cows and how milk is produced, and then enter the factory where you will see, how milk is transformed into yogurts and other desserts. The factory is known as a project to insert people with mental disabilities into the workforce and producing quality products. There is also an audiovisual about the organization and detailed process ending with the tasting of the yogurts and other desserts.

8

Full day Tossa de Mar and Islas Medas

Working for the vacations you deserve

Catalunya Experience

Tossa de Mar

Is surrounded by beautiful small beaches and coves in the Mediterranean Sea. The town is a mix of old and new dwellings. There is a wall and guard towers built in the 13th century enclosing part of the town. **Tossa de Mar** has many monuments and art dating back centuries but with modern nightlife entertainment and a variety of restaurants too.

Islas Medas

The group of seven islands is located close to the shore east of the town **L´Estartit** in the heart of the **Costa Brava**. These islands are one of the most important marine reserves in the western coast as well as a popular destination for diving. But you can see it as well without getting wet from the **Nautilus**, a glass bottom boat.

9 Catamaran cruise trip

Working for the vacations you deserve

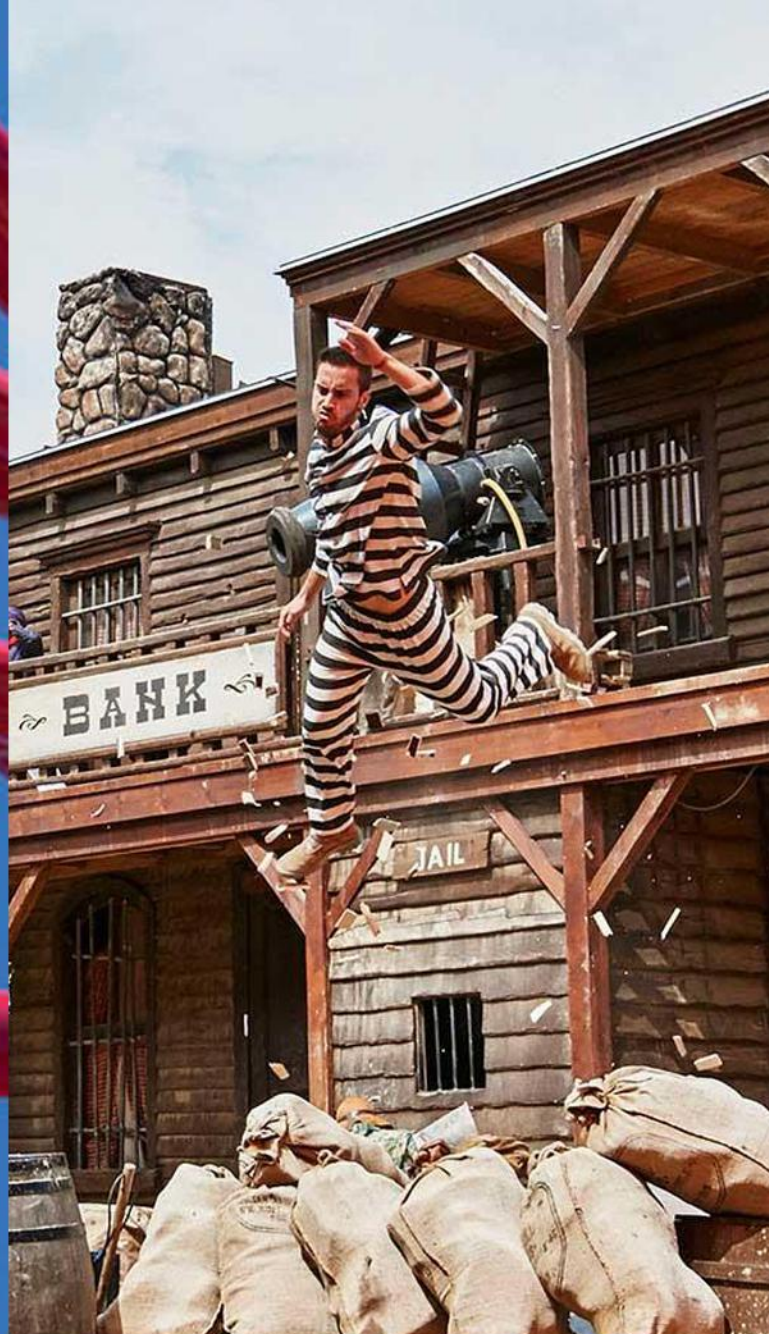

Enjoy a cruise along the **Costa Brava** on board the **Lady Joana**. We will anchor in a short distance of a beautiful beach to enjoy the floating blocks, inflatable water slides, trampoline and snorkelling, or simply enjoy sunbathing on the deck. There is food on the barbecue grill and salads along, with soft drinks and adult beverages for all . Enjoy as much as you want!
